## 2. TECHNICAL CONTENTS AND ITS APPLICATION TO THE GAME

### 2.1 Running with the ball

Technical execution and level of understanding	strong leg			unusual leg		
	great	good	poor	great	good	poor
Runs with the ball using different surfaces of contact		X			X	
Knows how to protect the ball from the opponent (technical cover)		X			X	
Runs with the ball with the head up		X			X	
Knows how to make turns in order to change the direction		X			X	
Knows how to change the speed according to the game needs		X			X	
Is able to apply this technical content to the game		Correctly		with difficulty		unable

### 2.2 Control

Technical execution and level of understanding	strong leg			unusual leg		
	great	good	poor	great	good	poor
Dominates different surfaces of contact	X				X	
Uses directional control according to the surroundings and thinking on the next action	X				X	
Is able to apply this technical content to the game		Correctly		with difficulty		unable

### 2.3 Passing

Technical execution and level of understanding	strong leg			unusual leg		
	great	good	poor	great	good	poor
Understands and applies the concept of passing line	X				X	
Uses different surfaces of contact when passing	X				X	
Is able to apply this technical content to the game		Correctly		with difficulty		unable

### 2.4 Dribbling (1v1)

Technical execution and level of understanding	strong leg			unusual leg		
	great	good	poor	great	good	poor
Uses feints in order to fake the defender (variety of dribbling)	X				X	
Knows and applies the phases of dribbling (1v1) correctly		X			X	
Tries to dribble for the weak side of defender		X			X	
Adapts the pace of dribbling according to the defender		X			X	
Is able to apply this technical content to the game		correctly		with difficulty		unable

## 2.5 Shooting

Technical execution and level of understanding	strong leg			unusual leg		
	great	good	poor	great	good	poor
Coordinates the movement of opposite arm when shooting	X				X	
Looks at the goalkeeper's position before shooting		X			X	
Looks for the reject after shooting		X			X	
Is able to apply this technical content to the game		correctly		with difficulty		unable

## 2.6 Tackle

Technical execution and level of understanding	strong leg			unusual leg		
	great	good	poor	great	good	poor
Holds position in order to time tackle correctly	X				X	
Orients the body facing ball, waiting for the opposite mistake		X			X	
Assimilates the basic defensive position (laterally, low center of gravity...)		X			X	
Forces the attacker to tackle for his weak side		X			X	
Is able to apply this technical content to the game		correctly		with difficulty		unable

## 2.7 Interception

Technical execution and level of understanding	strong leg			unable leg		
	great	good	poor	great	good	poor
Intercepts the action with conviction	X				X	
Intercepts with the furthest leg in order to assure the continuity of game		X			X	
Is able to apply this technical content to the game		Correctly		with difficulty		unable

## 3. TACTICAL CONTENTS

### 3.1 Offensive tactical contents

Content worked and level of understanding	excellent	good	poor
Knows how to position taking advantage of width and depth	X		
Understands and applies the concept of ball circulation	X		
Gives support movements to the ball possessor	X		
Prioritizes passes that overcome opponents	X		
Provides passing lines at different heights		X	
Understands and applies the concept of game speed		X	
Knows how to resolve ending situations of equality, numerical and superiority		X	

### 3.2 Defensive tactical contents

Content worked and level of understanding	Excellent	good	poor
Knows how to close down spaces in order to stop rivals' advance	X		
Understands the concept of organized pressing	X		
Understands the concept of pressing after losing ball possession	X		
Gives defensive support to teammates	X		

#### 4. GAME SYSTEM CONTENTS

Content worked and level of understanding	excellent	good	poor
Understands the basic offensive concepts of 1-4-2-1 game system	X		
Understands the basic defensive concepts of 1-4-2-1 game system	X		
Acts in different positions and understands their functions	X		

#### 5. TRANSVERSAL CONTENTS

Content worked and level of understanding	Excellent	Good	poor
Understands and applies the concept of attack-defense transition	X		
Understands and applies the concept of defense-attack transition	X		
Checks his/her surroundings before receiving ball (peripheral vision)	X		

#### FINAL OBSERVATIONS

- We are very happy with Akram's attitude and development this season. He has shown great progress and we would like to encourage him to continue to keep this up and keep moving forward, also with regards to the concepts explained and tactical game-play.
